# WE GOT YOU COVERED !!!

Mumtaz Group of Companies (MGC) established in 1978 has strived to meet the needs of our valued customers. We are passionate about the quality and style of our products. Our aim is to provide excellence in quality of the tents and services. Our rental tents are architecturally beautiful as they are robust; these spacious tents are made from crisp white PVC and can withstand even the blusters and vagaries of summertime. From initial contact to post-event clear up, we strive to please with our bespoke services as each event is treated with the importance it deserves. We are amongst the leaders in the hospitality business by participating in events ranging from exhibitions, trade shows, promotional activities, weddings, ramadan tents and much more. We carry a wide range of event rental items and we are constantly updating our inventory to meet our client's requirement. We provide pristine white clean marquee tents and canopies for all your outdoor events including air-conditioning, flooring and wide range of interior. We have rental packages designed to ease the rental process while providing you with the necessary rental items for various events. We offer free no obligation site inspections, where we come out to your event location and suggest the best possible option. We have many types of tents of various sizes, designs and shapes. We can provide customized interior, lighting and furniture of your choice to make your event a unique and memorable one. We also have the capacity and capability to make the customized tents as per the available space and requirements of the customer. With direct presence in GCC and corporate associations, we are also serving in international markets. Please feel free to browse our website for more details or contact our friendly team for more information.

# CLEAR SPAN - A TYPE TENTS

## Description:

Clear span A Type tents create a unique surrounding for high profile events. The ultimate design and flexibility provides a well-secured environment for short and long-term events. The absence of center pole creates an open and airy feel with no obstructed views and allows for maximum use of space. Our Tents are not only engineered for strength but snap to install. The roof is designed for optimal stability and its aero-dynamics design provides robustness for all atmospheric condition.

## Characteristics:

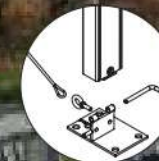

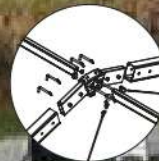

- Water Proof
- Fire Redundant
- UV Treated
- Wind Load Stability (100Km/H)
- Unobstructed View (no center pole)
- Less Staking
- Ideal for short and long-term installation
- Easy set up
- Convenient stacking and transport
- Length can be extended by 5 meters

## Applications:

- Span width: 5m, 10m, 15m, 20m, 25m, 30 and 40m
- Length: without limitation, can be any size as per customer requirement.
- Made with advanced technology
- A Type (clear span) tents can be used for exhibition & conferences, corporate event, trade shows, wedding & parties, industrial and military requirements.

## Optional Accessories:

- Inner Lining
- Carpet
- Lights
- Transparent Covers
- Glass Panel

A COMPLETE EVENT SOLUTION**

**Description:**

Pagoda tents come with lightweight, aluminum or galvanized steel frames for a solid and secure installation. The hardwearing roof canvas and sidewalls are made from high-grade PVC, providing an attractive shelter, which is waterproof, fire retardant and UV resistant. Detachable sidewalls with French windows or PVC, provides the flexibility to use pagoda tent as a fully enclosed, spacious party area or an open-sided exhibition marquee.

**Advantage:**

Pagoda structures provide the means to create eye-catching tensile roof structures. Together with ease of assembly and perfect build-quality, the Pagoda marquee series provides the perfect solution for a vast range of applications. Pagodas create an ideal solution for reception areas or can be joined together, which enables the formation of multiple configurations enhancing the visual impact of any event with elegance.

**Characteristics:**

- Water Proof
- Fire Redundant
- UV Treated
- Wind Load Stability (100Km/H)
- Unobstructed view (no center pole)
- Less Staking
- Ideal for short and long-term installation
- Easy set up
- Convenient Transportation

**Application:**

- Pagoda tents are available in 3x3m, 4x4m, 5x5m, 6x6m, and 10x10m

This series is suitable for different occasions including family celebrations, corporate functions or storage tent

Pagoda tents can be used for:

- Parties
- Wedding Receptions
- Corporate Events
- Trade Shows
- Sporting Events
- Exhibitions
- Arenas

**Options Available:**

Different types of Inner Lining

- All sides open
- Transparent Panel
- Glass Panel
- French Windows
- Wooden Flooring (optional)
- Arabic Seating
- VIP Sofas
- Chairs & Tables
- Arabic Rugs
- Door (Aluminum/glass)
-

# TRADITIONAL

## Description:

The Majlis is one of the corner stone of Emarati civilization. For decades, friends and families gather in a majlis. We help you in designing your own very Majlis with a special touch ranging from traditional to contemporary style with your choice of finish and upholstery. Few design styles can match Arabic decors capacity to transform a bland space into an opulent retreat, using layers of color and texture to craft a magical effect.

Our expert team with decades of hard work and artisan's ship has touched new bounds to setup arabic traditions in holistic way, which not only gives an exuberant look but much more rich in taste and style. Arabs have greatly contributed to the design and utility of tents and camps through the history. The color scheme and the customized furniture played a significant role to give modern touch to the traditional feel.

If you want to wrap yourself in luxury, you can't go wrong with Arabic interior design. You can pick this design theme for one or more occasions. It is easy to create a complete and cohesive Arabic-inspired feel these days thanks to our visionary team who has achieved this realization after years of hard work and effort.
